The Canadian Society for Medical Laboratory Science (CSMLS) is the national professional association for Canada's Medical Laboratory Professionals (MLPs), the national certifying body for Medical Laboratory Assistants (MLA), and the Alberta certifying body for General Medical Laboratory Technologists (MLT).

The CSMLS is contracted to provide Exam and Prior Learning Assessment (PLA) services on behalf of the Alberta provincial MLT regulatory authority, the College of Medical Laboratory Technologists of Alberta (CMLTA). CMLTA recognizes the long history CSMLS has of providing Certification Examinations (since 1938 for General MLT and 1972 for MLA) as an entry-to-practice requirement to work in the Alberta and Canadian medical laboratory profession.

The CSMLS General MLT Certification Examination (referred to as “Exam”) is multi-disciplinary in nature.

We do not provide single-subject MLT certification.

Our Mission, Vision, and Values

The CSMLS' mission is to be the unified national voice of medical laboratory professionals across Canada, supporting our members in delivering high-quality health care.

Our vision is that every medical laboratory professional is thriving as a crucial part of Canadian health care.

Our values ground us and guide the decisions we make:

- *Our members are at the heart of everything we do—they inspire our mission and guide our work.*
- *We treat every individual with dignity, empathy, and respect.*
- *We believe big ideas drive progress—and we never stop reaching for the extraordinary.*
- *We embrace change with agility, continuously evolving to meet new challenges.*
- *We are committed, accountable, and follow through on our promises.*
- *We invest in continuous learning to grow our expertise and better serve others.*

Certification Standards

We promote, maintain and protect a nationally or provincially accepted standards of the Medical Laboratory profession through periodic job analysis and ensuring certification quality assurance by which other health professionals and the public are assured of effective laboratory services.

Reciprocity

The CSMLS does not offer reciprocity with any university or college, or with any other country. The candidate's education, experience, or certification in another country do not automatically make them eligible to write the Exam.

Impartiality and Conflict of Interest

CSMLS understands the importance of impartiality in the certification of individuals, from creating Exam items to determining candidate eligibility to the release of Exam results, the CSMLS strives to ensure the objectivity of its certification activities.

All certification activities are carried out with the intent to be impartial and with consideration to direct, indirect, or perceived conflicts of interest.

The Canadian Provincial Medical Laboratory Professional Regulatory Authorities

Health related professions often require regulatory registration as one means of assuring their profession's quality of practice and patient safety.

In each province where there is an MLT regulatory authority, the MLT regulatory authority registers applicants who meet provincial registration requirements and regulates the practice of the profession, as delegated by their provincial government.

The CSMLS has General MLT Exam and Prior Learning Assessment (PLA) service agreements with CMLTA, recognizing the CSMLS General MLT Competency Profile© and Exams as an entry-to-practice requirement for the Alberta medical laboratory profession.

The CMLTA regulatory authority may have different requirements to practice in their province than to be eligible to attempt the Exam. The CSMLS strongly suggests that all Alberta Exam registrants/candidates, or potential registrants/candidates, review the Alberta provincial regulatory requirements for practicing as an MLT in Alberta available on the CMLTA website.

CSMLS Membership

CSMLS membership has many benefits, including reduced Exam fees. Information about memberships can be found on the CSMLS website under "[Member Categories & Fees](#)".

CSMLS members are connected to a comprehensive network of peers, news and updates, almost 1000 hours of free continuing education, employment opportunities, and much more.

CSMLS annual membership expires on December 31 of each year and dues are prorated throughout the year (exception is student membership).

For questions about membership, please contact Member Services at memserv@csmls.org.

Exam Attempt Policy

Certification Time and Attempt Limits

The Exam policy determines when a candidate must attempt the Exam and the number of times any candidate can attempt it.

Candidates have four (4) attempts at the Exam, in two (2) Exam cycles. The [First Exam Cycle](#) has two (2) [Initial Eligibility Routes](#) and is for a candidate's first attempt. The [Second Exam Cycle](#) is for candidate's who were not successful on their first attempt.

The First Exam Cycle allows one (1) attempt to challenge the Exam within twelve (12) months of receiving initial eligibility. Those who do not attempt their first Exam within this timeframe have lost eligibility to attend the CSMLS General MLT Exam.

The Second Exam Cycle allows those who were unsuccessful in their first attempt another

three (3) attempts. These additional attempts must be taken by the **October 2028** exam session as this is the last CSMLS General MLT exam session.

Candidates who are **unsuccessful or do not attend their** allowed attempts within this timeframe, will forfeit all but one (1) additional Exam attempt. Attempts one (1) to three (3) may be recorded as fails, and they **will have to apply to reinstate eligibility for one (1) final exam attempt**.

Example: If a candidate becomes eligible to challenge the Exam on October 14, 2024, they are expected to attend their first attempt by October 2025, registering not later than August 31, 2025 (the registration deadline for exam sessions are available online under the [Certification Dates and Fees webpage](#)).

If this candidate is unsuccessful in October 2025, they must write their second, third, and fourth (final) attempts no later than October 2028.

If they do not, their second and third attempts are considered forfeited, counted as a failed attempt, but they can apply for eligibility for one more attempt (considered their fourth and final attempt) if they would like to register for an exam session by August 31, 2028 (the final day to register for the last CSMLS General MLT Exam).

Candidates who have had **four (4) unsuccessful Exam attempts** will have exhausted all Exam attempts permitted by CSMLS.

Eligibility Requirements

First Exam Cycle

The first Exam cycle is made up of one (1) Exam attempt.

If a candidate is not successful in their first attempt, they may have three (3) more attempts without having to re-establish eligibility, within three (3) years, or until October 2028, whichever comes first, after their first unsuccessful attempt through their [Initial Eligibility Route](#).

Candidates are expected to come to the first available Exam session after successful completion of any Initial Eligibility Route indicated in this section.

Initial Eligibility Routes

There are three (3) ways to become initially eligible to write the Exam:

1. [EQual™ Accredited* Canadian Medical Laboratory Educational Program \(EAP\) Route](#)

To be eligible to write the Exam, registrants must:

- successfully complete all EAP requirements (including all clinical placement rotations) a minimum of two (2) weeks before the first date of the Exam session and a maximum of twelve (12) months before the first day of the month of the Exam session the candidate hopes to attend**
 - The Certification office will verify these candidates' eligibility directly with their EAP based on the current or historical EQual™ accreditation status of the EAP these candidates attended; or
- have not previously registered for or attended the same Exam designation, without written permission from the CSMLS

*EQual™ Accredited = Only those Medical Laboratory educational programs that are listed as “Accredited”, “Accredited with Condition”, or “Admitted” on the [Accreditation Canada](#) website. If these programs are from outside of Alberta, candidate will additionally require permission from CMLTA to register for the CSMLS General MLT exam.

If an EAP loses their accreditation status, is not admitted prior to a candidate’s program completion, or obtains admitted status after a candidate completes their program, the candidate will not be eligible. They must complete a prior learning assessment (PLA) to gain eligibility to any Exam session.

** If Exam registrants have successfully completed their program requirements **more than 12-months before this required deadline**, they will **not be found eligible** to challenge the Exam in that Exam session, their Exam registration **will be cancelled**, and they **will be charged the applicable cancellation fees** (see ‘[Cancellation of Exam Registration](#)’ section). They must apply, pay for, and successfully complete a PLA for General MLT, if available, or contact CMLTA for other options.

2. Prior Learning Assessment (PLA) Candidates

Those who are using **route 2** are **NOT eligible** to register for an Exam **until they have been issued an Eligibility Statement** or have been notified by the Certification office that they can do so. Otherwise their **Exam registration will be cancelled** and they will be **charged the applicable cancellation fee** (see ‘[Cancellation of Exam Registration](#)’ section).

To be eligible to write the Exam, these candidates must have successfully completed the CSMLS PLA process and hold a valid Eligibility Statement. To be valid, the Eligibility Statement must not be expired for the Exam session they wish to register for. Please contact exam@csmls.org if your Eligibility Statement is expired or will expire before you can attend an Exam session.

The PLA process is intended for those who:

- are Internationally Educated Medical Laboratory Technologists (IEMLT) residing in Alberta; or
- have successfully completed a Canadian medical laboratory educational program that has not been EQual™ accredited and reside in Alberta; or
- have successfully completed an EQual™ accredited Canadian medical laboratory educational program more than twelve (12) months prior to the Exam date and have not registered for a CSMLS Exam and are residents of Alberta.

Candidates wishing to apply for a PLA should read the [PLA Handbook](#) for the steps to follow.

3. Permission from CMLTA.

These candidates may be EAP candidates or IEMLTs who reside outside of Alberta and have been given permission by CMLTA to attend a CSMLS General MLT Exam session.

Attempt One (1)

A candidate’s first attempt at the Exam depends on when they received initial eligibility as outlined in the [Initial Eligibility section](#).

Eligible

A candidate may register for their first exam attempt if they have:

- accredited Canadian Medical Laboratory Technology/Science educational program, **within the past 12-months prior** to the first day of the month of their chosen Exam session; or
- a valid, non-expired Eligibility Statement (for PLA Clients residing in Alberta or those approved by CMLTA before August 31, 2028),
 - DO NOT register for an Exam session until you have this.

These candidates are expected to register for and attend the first available Exam session after initial eligibility is granted.

Ineligible

EAP candidates are not eligible to challenge the Exam if they:

- are scheduled to complete their program less than two (2) weeks (14 calendar days) before the first day of the Exam session they registered for (these candidates must wait to register for the next available Exam session); or
- completed their program more than twelve (12) months before the first day of the month of the Exam session they hope to attend.
 - These candidates are no longer eligible to attend the CSMLS exam without permission from CMLTA (before August 31, 2028).

PLA Candidates who have an Eligibility Statement that expires before the first day of the month of the exam session they hope to attend, will **not be eligible** to challenge the Exam. These candidates may be able to apply for a deferral (see the [Deferral section](#) for more information) or will need to get the permission of CMLTA.

Second Exam Cycle

Attempts Two (2), Three (3), and Four (4)

After **one (1) unsuccessful** attempt (whether attended or not), the candidate is placed into the Second Exam Cycle.

If the candidate was not successful on their first Exam attempt, they are eligible to write the Exam three (3) more times within three (3) years, or by **October 2028**, whichever comes first, from their first unsuccessful attempt in the First Exam Cycle (see “[Exam Attempt Policy](#)” section).

Candidates will be required to apply and pay for their next Exam by registering online or by sending in a manual application to exam@csmls.org with the correct fee.

If the candidate does not apply for their second, third, or fourth attempt within this time frame they will have forfeited their second and third Exam attempts and they will be **considered a fail**.

Unsuccessful Fourth Attempt

If a candidate is unsuccessful in their fourth and final Exam attempt, they will have exhausted all Exam attempts.

Re-establishing Eligibility to the Exam

Those candidates who have not taken their fourth and final Exam attempt within the required timeframe may have their final Exam attempt reinstated by applying and paying to Re-establish Exam eligibility. Please contact exam@csmls.org for more information.

Registered but Not Eligible for the Exam

Candidates will have their Exam registration cancelled by the Certification office ([see 'Cancellation of Exam Registration' section](#)), if they:

- have not successfully completed their EAP within the deadlines outlined in the [Initial Eligibility Routes](#) section; or
- have not received their CSMLS Eligibility Statement (PLA Clients); or
- do not have a valid CSMLS Eligibility Statement; or
- do not have permission from CMLTA.

There is a **non-refundable processing fee** for all Exam cancellations (see the [CSMLS Dates and Fees webpage](#) under 'Service Fees').

Verification of Eligibility for All Candidates

For candidates in the First Exam Cycle with initial eligibility through an EAP, the Certification office will contact your EAP directly on your behalf to verify your eligibility.

The eligibility of **ALL** Exam candidates is verified by the Certification office a minimum of 14-days prior to the beginning of each Exam session.

If candidates do not meet the eligibility requirements, they will be notified by the Certification office, their Exam registration will be cancelled, they may lose some or the full registration fee, and may lose one Exam attempt (see "[Cancellations](#)" under the "Loss of Exam Attempts" section and the '[Cancellation of Exam Registration](#)' section).

Candidates who are waiting for exam results ARE NOT to register for another attempt until their Exam results have been released. If they register before their results have been released, their registration will be cancelled and they will only receive a partial refund.

There is a **non-refundable processing fee** for all Exam cancellations, whether the candidate requests it or the Certification office performs it due to the candidate being ineligible (see the [CSMLS Dates and Fees webpage](#) under 'Service Fees').

Loss of Exam Attempts

A candidate may lose an Exam attempt if they are not present at the Exam session they are expected to attend.

If any candidate fails to attend an exam they have registered for, they may also lose their full Exam fee, depending on when they notify the Certification office (exam@csmls.org).

Cancellations

Cancellation of a registered Exam may result in the loss of this exam attempt and be considered a fail, whether the candidate requests it or the office performs it due to the candidate being ineligible (see the [CSMLS Dates and Fees webpage](#) under 'Service Fees').

- Cancelling **less than fourteen (14) days before** the registered Exam session means the candidate will **not** receive a refund.
- Cancelling **fourteen (14) days or more before** the registered Exam session means the candidate will receive a **partial refund**.

There is a **non-refundable cancellation processing fee** which is subject to change without notice (see the [CSMLS Dates and Fees webpage](#) under 'Service Fees').

Once a candidate has scheduled an Exam appointment with the testing vendor they **cannot**

cancel their Exam date through the testing vendor. These candidates must contact the Certification office (exam@csmls.org) **immediately** to apply for an Exam cancellation (see “[Cancellation of Exam Registration](#)” section). Any candidate that cancels the Exam through the testing vendor will lose all of their Exam fees and may lose that exam attempt.

Candidates who want to cancel their Exam and would like to be considered for an Exam attempt re-instatement, must have official documentation submitted to the Certification office to support the request. These requests are considered on a case-by-case basis and submission of official documentation does not guarantee reinstatement of the cancelled Exam attempt. Official documentation must be submitted within ten (10) calendar days of submission of the candidate’s Cancellation form. See “[Submitting Official Documents](#)” section for more information about how official documents can be submitted to the Certification office.

Deferrals

Candidates who do not attend the Exam session they have registered for, will have forfeited both their Exam attempt and Exam fees. However, they may apply for an Exam Deferral to be considered for a reinstatement of their Exam attempt.

Candidates who cannot attend the Exam they are expected at, due to circumstances beyond their control (see “[Extraordinary Circumstances](#)” section), must email the Certification office (exam@csmls.org) **immediately** to see if they can apply for an Exam Deferral.

Exam Deferral requests due to Extraordinary Circumstances are considered on a case-by-case basis specifically for a reinstatement of the Exam attempt, depending on if they have had official documentation proving their deferral request, where required, submitted to the Certification office within the required timelines. These candidates may also receive a transfer of Exam fees to the next Exam session.

Submission of deferral application with fee payment and any required official documents that the Certification office requests, does not guarantee reinstatement of a missed attempt or a transfer of their Exam fee to the next Exam session.

Routine pregnancy, family obligations, unpreparedness, or financial hardship may not be considered adequate reasons for granting a deferral.

Eligible Non-Residents of Canada

Non-residents of Canada eligible for the Exam will need to:

1. Send in a completed Exam Application by email, mail, or fax (do not apply online).
2. Pay the non-resident Exam fee.

A non-resident of Canada is someone who:

- normally, customarily, or routinely lives in another country and is not considered a resident of Canada; or
- does not have significant residential ties in Canada and lives outside Canada throughout the tax year; or
- stays in Canada for less than 183 days in the tax year.

Candidates will NOT be allowed to write the Exam if false information is given when registering for the Exam.

False information includes providing a Canadian address to avoid paying non-resident

Exam fees.

Proof of residency, a copy of a current tax form, or alternative documents may be required to prove Canadian residency. Please contact exam@csmls.org for more information.

Non-Residents of Canada MUST write their exam in person at a Canadian test center.

If the non-resident candidate does not contact the Certification office before their Eligibility expires, they may not be eligible again, or may have to apply and pay for a CSMLS PLA.

Exam Information

NOTE: If a candidate has unsubscribed from CSMLS emails, they will NOT receive any communications from CSMLS about the exam or their results.

Exam Registration Statement

Registrants must read and complete this section of the Exam application; otherwise, their application will not be accepted.

By signing a manual Exam application or completing the online Exam registration, registrants agree that they have read and will abide by all the policies, procedures, rules, and eligibility requirements outlined in this CSMLS Exam Handbook.

NOTE: All CSMLS General MLT Exams must be written in Canada, regardless of the testing method.

Exam Application Requirements

Exam registrants are required to apply online or by email, fax, or mail.

All Exam registrants are responsible to ensure their Exam application is completed correctly and submitted within the required registration deadlines.

Manual applications must be filled out completely, include the correct Exam fee, and be signed and dated by the applicant. Manual applications can be submitted by email to exam@csmls.org or to the Certification office by postal mail or courier using the CSMLS address.

Postal Mail/Courier Address
Canadian Society for Medical Laboratory Science Attn: Certification Department 33 Wellington St N Hamilton, ON L8R 1M7

Manual applications submitted by postal mail or courier will need to show a postmark or send date before the registration deadline or the application will not be processed. Manual applications submitted (email, postal mail, or courier) after the registration deadline will not be processed; the registrant will be notified by the Certification office with their next steps.

We are not responsible for lost or misdirected registration applications by email/postal mail/courier. We recommend that if a manual application is being submitted by postal mail it should be sent through their tracking system.

Current Exam fees and dates can be found on [our website under 'Dates and Fees'](#) and are subject to change without notice.

Submitting Official Documents

Postal mail or Courier: Official documents are accepted if they are sent directly in an untampered envelope that is sealed and stamped by the institution/organization (this can simply consist of the signature or initials of the person responsible). If these are being couriered to the Certification office, the sealed and stamped envelope must be placed inside the courier package/envelope. Any couriered documents placed loose inside a courier package/envelope will not be accepted by the Certification office.

If an official document is received without appropriate packaging, the document will not be accepted and the Client must have it resubmitted correctly, delaying the process.

See example in [Figure 1 of Appendix 1](#).

Email: When official documents are submitted by this method, they are only accepted if sent directly by the issuing institution with an institutional email address to pla@csmls.org. Documents will not be accepted if they are emailed from public domain email addresses, such as gmail, yahoo, outlook, etc., regardless if this is all the issuing institution uses. In this case, the documents must be mailed/couriered to the Certification office.

Candidates must make sure the issuing institutions/organizations include the candidate's full name and/or CSMLS ID number on the official documents when they are sent to the Certification office. Also, all official documents must bear the official organizational letterhead and/or stamp or signature of an official representative of the institution/organization.

Exam Testing Accommodations (Disability, Religious, etc.)

Candidates requesting a testing accommodation must NOT register online.

If these candidates register online for an Exam session they will NOT be considered for a testing accommodation.

The **only purpose** of CSMLS testing accommodations **is to remove barriers from accessing the exam** so that these candidates can participate equally (equity of access), and allow their Exam results to accurately reflect their competency level as a medical laboratory professional.

NOTE: Providing equity of access to the CSMLS Exam through an accommodation does not guarantee the candidate will perform well or complete the Exam.

The administration of CSMLS testing accommodations is guided by federal and provincial human rights legislation, CSMLS policies, and professional standards, guidelines, and practices. The goal is to provide reasonable and appropriate accommodations to candidates with disabilities while maintaining the integrity of CSMLS certification, without providing undue hardship to CSMLS.

The CSMLS offers testing accommodations to exam candidates with official documented disabilities that affect mobility, communication, sensory perception, learning, physical or mental health, and other grounds or religious observations, to provide equal access to the exam. Each applicant is considered on a case-by-case basis.

In reviewing testing accommodation requests, the CSMLS must balance the rights of the individual Exam candidate with its mandate to protect the public interest through a fair, secure, valid, and reliable Exam.

The CSMLS has the right to approve or deny requests for testing accommodations, as

availability may be limited in testing centers, they may not be allowed with remote proctoring, or may cause undue hardship to CSMLS.

If a request is approved, a candidate may be required to take the Exam at a location determined by the Certification office. All related expenses to travel to this test centre will be borne by the candidate. If the candidate cannot travel to the available location, they may apply and pay for a deferral of this Exam attempt to the next Exam session. These requests will be decided on a case-by-case basis, and may be denied. Deferral payments are non-refundable regardless of the outcome of the CSMLS decision.

Disability Considerations

A diagnosis of a disability does not automatically equate to testing accommodations. To be considered for testing accommodations, candidates must provide evidence of an officially diagnosed condition **with functional limitations** related to their disability(ies) that require modifications to the standard administration of the exam.

The disability must be shown to affect the candidate's ability to access the exam and participate in daily life to receive access to testing accommodations. Acute sickness due to a common ailment, like an infection, flu, cold, etc., are not considered disabilities under any disability legislation in Canada. Please see the [Extraordinary Circumstances Before or On Exam Day](#) section for more information.

Examples of testing accommodations that may be requested include additional testing time, breaks, and access to assistive equipment, personnel, or personal items (e.g., medication, breast pumps, food, etc.).

Language

Language accommodations are NOT available as Exam candidates are expected to have a minimum language level of Canadian Language Benchmark 8 (CLB 8).

Exam Testing Accommodation Policy and Process

Candidates requesting an Exam testing accommodation must NOT register online.

If candidates seeking an Exam testing accommodation register online they will NOT be considered for a testing accommodation.

The **deadline to apply** for an Exam testing accommodation is **the last day BEFORE registration opens** for the desired Exam session. See [our Exam 'Dates and Fees' webpage](#) for these dates.

Late testing accommodation **requests received AFTER registration opens** but **BEFORE the late registration period begins** will be reviewed but may only be partially granted or not granted at all.

Requests received AFTER the late registration period begins or after registration closes will NOT be considered.

Exceptions to this policy will ONLY be considered on a case by case basis for a recent and acute diagnosis (e.g., accidents resulting in broken bones and/or concussions, illness requiring hospitalization, etc.).

Exam candidates seeking testing accommodations are **required to contact the CSMLS** at exam@csmls.org **in writing before an Exam session opens for registration.**

This request **must** include the candidate's:

- CSMLS identification number,
- first and last name,
- what type of accommodation they are seeking,

- what exam session they hope to attend.

The CSMLS will then provide the candidate with the appropriate forms and information so that required official documentation can be submitted to prove they require the testing accommodations.

Required **documentation**, including the candidate's testing accommodation(s) request form, the exam registration form, and official documented proof for testing accommodation(s), **received AFTER registration opens** but **BEFORE the late registration period** will be reviewed, and **may not be granted or only be partially granted**.

Required **documentation received AFTER the late registration period begins will NOT be considered**.

Exceptions to this policy will ONLY be considered on a case by case basis for a recent and acute diagnosis (e.g., accidents resulting in broken bones and/or concussions, illness requiring hospitalization, etc.) that occurs within enough time to apply for, submit documentation, and receive a testing accommodation. See the [Extraordinary Circumstances Before or On Exam Day](#) section.

Once a candidate has made a testing accommodation request, they are encouraged to return the completed forms to the CSMLS as soon as possible. If applying greater than 6 months in advance of an exam session, candidates must take into consideration the age of their supporting documentation.

This includes the medical form and supplemental documentation (where applicable) which needs to be submitted directly to the CSMLS by your healthcare practitioner. Medical documentation will NOT be accepted if self-submitted.

Requests for Exam testing accommodations will be reviewed by the CSMLS once all the required documents have been received.

Once this review is complete, the CSMLS will communicate with the candidate by email regarding the status of their testing accommodation request.

Granted testing accommodations are valid for one Exam session only.

Candidates must submit a new accommodation application for any future Exam sessions.

Supporting Documentation Requirements for Testing Accommodations

Documentation must be legible, complete, and provided by the appropriate licensed healthcare practitioner(s), or other professional(s) who have specific training, expertise, and experience in the diagnosis and treatments of conditions for which the certification exam accommodation is being requested.

Supporting documentation must not be more than six (6) months old for psychiatric and recent physical disabilities, five (5) years for long-term disabilities, and three (3) years for all other disabilities (including ADD and ADHD).

Following recommendations from the Government of Canada's "Guide for Assessing Persons with Disabilities" (July 2007, accessed in December 2025), **assessments completed before age 18 are not considered up-to-date if more than three years have passed since the assessment**, as the abilities and skills of individuals are still changing and developing during these years.

Regardless of the age of the documentation, it must reflect the candidate's **current functioning and functional limitations** with regards to the testing accommodation request.

Exam Registration Payments

Exam candidates must submit their full Exam fees in Canadian funds with their Exam application.

Online Exam application payments are made by credit card* only (Mastercard, Visa or AMEX).

Manual Exam application payments can be made by credit card* (Mastercard, Visa or AMEX) or if submitted by postal mail or courier, can also be made using a Canadian cheque or Canadian money order.

*Due to PayPal security restrictions we are unable to accept credit card payments from some countries. If required, contact info@csmls.org for assistance.

Canadian cheques or Canadian money orders are only accepted with paper-applications mailed to the Certification office and are made payable to the “Canadian Society for Medical Laboratory Science” or “CSMLS”. Registrants whose payments by cheques that are returned for insufficient funds will be charged an NSF fee. The Certification office will notify candidates of insufficient funds and their full payment must be received within fifteen (15) days of this notification.

Other methods of payment are not accepted.

Allow five (5) business days for fee processing.

Exam Appointment Scheduling

NOTE: All CSMLS General MLT Exams must be written in Alberta, regardless of the testing method.

Once candidates have registered for the Exam, they will receive an Exam Registration Confirmation email which provides them with their Exam eligibility ID number, instructions on how to schedule their Exam appointment, and a link to the [CSMLS-Prometric webpage](#).

Candidates are responsible for scheduling their exam appointment in one of two (2) testing methods, in-person testing (IPT) or remote proctored testing (RPT), as well as the time and location (applicable to IPT only). **Candidates may have to wait up to four (4) days** from receiving their CSMLS registration confirmation email **before** trying to schedule their Exam appointment.

Candidates are responsible to ensure their testing time. If a candidate does not attend their scheduled day or time as stated in the confirmation email from Prometric, this can result in a loss of exam fees and a lost attempt.

For those scheduling an IPT Exam appointment, there are various Testing Centre locations across Canada. Space may be limited at some locations and **the Certification office cannot guarantee preferred testing locations and times**. Registering early will help candidates schedule the best testing appointment location and time.

IPT candidates are responsible for finding their own way to the Testing Centre locations and are responsible for parking and any other associated costs.

CSMLS is not responsible for any travel/accommodation arrangements made by candidates.

The CSMLS reserves the right to:

- Cancel or not open a testing site if there are fewer than five (5) candidates;
- Assign candidates to a testing site; and
- Monitor testing sites.

For those scheduling an RPT Exam appointment, you are directly responsible for ensuring that your system meets the minimal requirements when you schedule. Additionally, CSMLS and Prometric are NOT responsible if you have any technical issues with your equipment and/or internet on Exam day. **Technical issues MUST be brought to the attention of Prometric through the chat feature link: go.prometric.com/chat.**

If you are unable to challenge your Exam, you will be responsible to contact the Certification office at exam@csmls.org immediately day with your CSMLS ID number, full name, what occurred, and the ticket number from Prometric given after you contacted Prometric for technical help through their chat feature. Once your message has been reviewed, you may be offered the chance to apply and pay for a deferral to the next Exam session without a loss of attempt.

Some candidates may be told by the Certification office that their exam **must be** scheduled as an IPT appointment and non-Canadian resident candidates are required to schedule an IPT appointment at a test center. If candidates required to write IPT are found to have scheduled/rescheduled to an RPT appointment, they will receive notification to change their exam back to an IPT appointment at a test centre location of their choosing (see [“Rescheduling an Exam Appointment’s Testing Mode \(IPT or RPT\), Time, or Location”](#) section).

Failure to reschedule to an IPT appointment from an RPT appointment will result in the Certification office rescheduling the candidate’s testing appointment where there is availability or cancelling their exam where there is none, with applicable non-refundable fees withheld.

All associated costs for travel and lodging accommodations will be the responsibility of the candidate. If there is no seat available at that time, the registrant may be allowed to apply and pay for a deferral to the next Exam session, or their attempt will be a missed attempt, considered a fail.

NOTE: All CSMLS General MLT Exams must be written in Alberta, regardless of the testing method. Non-residents of Canada can only write an MLT Exam at a test center in Alberta.

Rescheduling an Exam Appointment’s Testing Mode (IPT or RPT), Time, or Location

DO NOT cancel an Exam appointment on the Prometric system, this is considered a full attempt cancellation and candidates will be charged the applicable cancellation fees (see ‘[Cancellation of Exam Registration](#)’ section) and may lose their exam attempt.

Candidates can ONLY reschedule their exam’s date, time, and/or location within the same Exam session, they cannot reschedule their Exam to a different Exam session. If a candidate does this through the Prometric website, it will be considered an unauthorized cancellation and the candidate will lose their Exam fees and may lose their Exam attempt.

If candidates want to cancel their Exam session, or reschedule to a different session, they must contact exam@csmls.org, please see the ‘[Cancellation of Exam Registration](#)’ and ‘[Loss of Exam Attempts](#)’ sections for more information.

Candidates who want to reschedule the Exam testing mode (switching between IPT and RPT), or the time or location of their Exam appointment within the same Exam session, may do so while there are alternate Exam appointments available in the Prometric scheduling system. These candidates can go to the [CSMLS-Prometric webpage](#), click ‘Reschedule’, and proceed to enter the correct information.

There may be fees charged by Prometric for rescheduling the testing mode, time, or location of an Exam appointment. Please see the [CSMLS ‘Service Fees’](#) found at the bottom

of the CSMLS Dates and Fees webpage for more information.

Some candidates may be told by the Certification office that their exam **must be** scheduled as an IPT appointment and all non-resident candidates are required to schedule an IPT appointment at a test center. If candidates required to write IPT are found to have scheduled/rescheduled to an RPT appointment, they will receive notification to change their exam back to an IPT appointment at a test centre location of their choosing.

Failure to reschedule to an IPT appointment from an RPT appointment will result in the Certification office rescheduling the candidate's testing appointment where there is availability, or cancellation of their exam where there is none, with applicable non-refundable fees withheld.

All associated costs for travel and lodging accommodations will be the responsibility of the candidate. If there is no seat available at that time, the registrant may be allowed to apply and pay for a deferral to the next Exam session, or their attempt will be a missed attempt, considered a fail.

NOTE: All CSMLS General MLT Exams must be written in Alberta, regardless of the testing method. Non-residents of Canada can only write an MLT Exam at a test center in Alberta.

Exam Day

What to Bring

All candidates must bring valid, non-expired, government-issued photo identification with a signature, e.g. driver's license or passport, please review the webpage "[On Exam Day](#)".

Candidates will NOT be admitted to the Exam without presenting valid, non-expired government issued ID.

Candidate should have both their CSMLS ID and Prometric confirmation numbers. This is especially important for those with an RPT appointment to log on to the testing platform.

NOTE: Identification must have identical first and last names as listed in the registrant's CSMLS account. Middle names are not required for identification to be admitted to an Exam.

Arrival Time for a Testing Appointment

Arrive (IPT)/log on (RPT) at least 30 minutes before the scheduled appointment to allow time for check-in procedures.

The Remote Testing Environment

Candidates with an RPT appointment must write in a room (bathrooms are not appropriate) with four solid walls (no glass walls), a closed door, and all windows must be covered.

Candidates must remove all personal items from the Exam room except:

- a flat surface to place the computer. e.g. table or desk
- a chair (not a couch/sofa or a bed),
- one monitor, one web camera, and microphone (if applicable), these **MUST** be wired directly to your computer,
- water in a clear colourless container,
- two (2) tissues, and
- government issued photo identification with a signature, e.g. driver's license, passport.

NOTE: Under no circumstance may another person be present in or enter the Exam room for any part of the of the Exam, including the check-in process, whether intentional or accidental. If this occurs, the candidate's Exam session may be terminated, their results may be invalidated, and they may lose their attempt.

For more Remote Testing information, see the CSMLS webpage '[Remote Proctoring for Computer-Based Examinations](#)'.

Cancellation of Exam Registration

If registered candidates want to cancel their registration, they must complete and submit the [Request for Exam Cancellation form](#) to the Certification office (exam@csmls.org), at least fourteen (14) days before the Exam date to receive a partial refund of the Exam fee.

Cancelling an Exam attempt may also result in the loss (fail) of that Exam attempt. Please see '[Loss of Exam Attempts](#)' section for more information.

Candidates are NOT ALLOWED to cancel their Exam on the Prometric website. Candidates who do this will be charged the applicable cancellation fees (see '[Cancellation of Exam Registration](#)' section) and may lose their exam attempt.

Current CSMLS Cancellation fees are found at the bottom of the [CSMLS Dates and Fees webpage](#) under 'Service Fees'.

Late Arrival or Missed Appointment

Candidates who arrive late, **less than thirty (30) minutes after** the scheduled Exam start time, may NOT be given extra time to finish the Exam.

Those who arrive **more than thirty (30) minutes after** the scheduled Exam start time or who miss their scheduled appointment, for any reason, will be considered a "no-show". These candidates will forfeit their entire Exam fee and will lose one (1) Exam attempt, which will be considered a failed Exam attempt.

No-show candidates must reapply with the Certification office for a future Exam attempt. Candidates cannot reschedule a missed appointment for another Exam date. Please see '[Loss of Exam Attempts](#)' section for more information.

If candidates need to contact the Certification office, please email exam@csmls.org.

Unforeseen Circumstances

If an Exam is disrupted through circumstances beyond the control of the test provider, such as power failure or extreme weather, the test provider will contact the Certification office about adjusting the timing of the Exam.

DO NOT change your exam appointment at the Test Centre if there is a disruption. Always contact the Certification office at exam@csmls.org first, a candidate IS NOT to reschedule on their own. This is considered a cancellation of an exam attempt by the Exam candidate and candidates who do this will be charged the applicable cancellation fees (see '[Cancellation of Exam Registration](#)' section) and may lose their exam attempt.

Extraordinary Circumstances Before or On Exam Day

On Exam day, if candidates cannot reach the Testing Centre because of circumstances beyond their control or they are ill, they must contact the Certification office **immediately, BEFORE** the Exam begins, if possible. The Certification office can be contacted at

exam@csmls.org during regular business hours. This includes candidates who are unable to challenge the Exam remotely due to system or internet problems.

Before Exam day, candidates who are ill or have extraordinary circumstances (including bereavement but excluding routine pregnancy) must contact the Certification office **as soon as possible, BEFORE** the Exam at exam@csmls.org. This includes candidates who are unable to challenge the Exam remotely due to system or internet problems.

During Exam, if a candidate experiences a negative situation or condition that may have seriously affected their exam performance or ended it prematurely, they must contact the Certification office immediately **AFTER** the occurrence. The Certification office can be contacted at exam@csmls.org. Candidates must provide full details which include at a minimum, the date and time of the occurrence, what occurred, who was involved, what steps were taken to correct the situation (if any), were all questions on the Exam answered, and how the situation has negatively affected their Exam performance.

In addition to the above requirement, candidates writing the Exam at a Test Center must also make a formal complaint at the Test Center **BEFORE** they leave. Candidates writing the Exam through RPT must also submit a detailed email including their confirmation number to the ProProctor team at pro-proctor@prometric.com and exam@csmls.org. These actions must be taken **immediately AFTER** the occurrence.

DO NOT change your exam appointment at the Test Centre if there is a disruption. Always contact the Certification office at exam@csmls.org first, as a candidate IS NOT to reschedule on their own. This is considered a cancellation of an exam attempt by the Exam candidate and candidates who do this will be charged the applicable cancellation fees (see '[Cancellation of Exam Registration](#)' section) **and may lose their exam attempt.**

If deemed applicable, based on a review of the occurrence, these candidates will receive an Exam Deferral Request form, which may allow these candidates the re-instatement of their Exam attempt, a partial or full refund, or a transfer of their Exam fees to the next Exam date. Candidates must submit the deferral form, with payment of the associated fee, and any evidence requested by CSMLS to support their request.

If the candidate's circumstance occurred ON the day their Exam is scheduled for OR within the Exam session, whichever comes first, the deferral application must be submitted to the Certification office within seven (7) calendar days from notifying the Certification office. Any official documents required by the Certification office to prove the reason for the deferral must be submitted to the Certification office directly by the issuing institution/organization within 10 calendar days from the candidate's notification. See "[Submitting Official Documents](#)" section for more information about how official documents can be submitted to the Certification office.

If the candidate's circumstance occurred BEFORE the Exam date, the deferral form and required official documents must be submitted within 10 calendar days of notifying the Certification office.

Deferral requests are considered on a case-by-case basis and submission of the documents and fee does not guarantee reinstatement of the missed attempt.

Official documentation may include doctor's notes, the CSMLS Medical Form, death certificates, and/or other documents, as required.

Medical documentation must be current and include a formal diagnosis of the specific illness/disability made by a qualified physician/psychologist, and must be submitted directly to the Certification office by the qualified person on behalf of the candidate.

Routine pregnancy, family obligations, or financial hardship may not be considered an

“extraordinary circumstance”.

Change of Information

Candidates must check their information in their CSMLS account **BEFORE** they register for an Exam and ensure it is up-to-date.

If candidates change their name after Exam registration, notification must be sent to the Certification office in writing as soon as possible using the Change of Name Request form. This can be found on the [‘Exam Forms’](#) webpage. Official supporting documentation must be provided with this form.

All other information (address, telephone number, or email) may be updated through the candidates CSMLS portal.

Choice of Language

The MLT General Exam is available in English only.

Exam Service Fees

The CSMLS has several non-refundable processing or service fees that may apply to candidates.

[‘Service Fees’ are found at the bottom of the CSMLS Dates and Fees webpage.](#)

Discrimination Policy

The CSMLS is committed to providing an Exam process that is free from any type of discrimination, which supports the productivity and dignity of Exam candidates.

Discrimination is unequal treatment on the basis of prohibited grounds which may include age, race, sex, religion/creed, sexual orientation, physical or mental handicap, ancestry, place of origin, colour, ethnic origin, citizenship, marital or family status, and record of offences.

Exam Conduct

Candidate behaviour before, during and after the Exam cannot disturb other candidates or cause them anxiety.

Candidates are required to follow all requirements/instructions from invigilators at a test center or through remote proctoring. Candidates are not to make disruptive comments during the Exam, unnecessarily question Exam items, policies and procedures, or engage in other behaviour that could disturb other candidates at the Exam session or insult the invigilators.

Poor or disruptive behaviour will not be tolerated and may result in removal from the Exam session. If a candidate is removed from the Exam, they will lose that Exam attempt and their Exam registration fees.

Unscheduled Breaks

Unscheduled breaks are not allowed in the RPT environment. They can only be taken in the

IPT environment, strictly for restroom use ONLY, unless the candidate has a testing accommodation (see “[Exam Testing Accommodations](#)” section).

IPT candidates can take an unscheduled break of up to 10 minutes for the purpose of using the washroom/restroom ONLY. The Exam timer will not stop for the unscheduled break.

IPT candidates taking an unscheduled break MUST NOT access prohibited items during the unscheduled break. This includes, but is not limited to, technology, devices, notes, or food.

IPT candidates MUST receive permission from the invigilator prior to taking an unscheduled break otherwise the Exam will be terminated.

IPT candidates who exceed the permitted 10-minute unscheduled break time limit will have their exam session terminated and will be subject to an investigation.

CSMLS will not authorize these candidates’ return to the Exam for failing to meet the unscheduled break time limit and the attempt may be considered a fail.

All IPT candidates will have to complete the security check-in process again upon return from the unscheduled break before restarting the Exam.

Cheating

Cheating will not be tolerated and will result in removal from the Exam. If a candidate is removed from the Exam, they will lose that Exam attempt and their Exam registration fees.

It is assumed that candidates are writing the Exam in good faith or in an honest attempt to pass the Exam. Any actions or behaviours violating this assumption will be considered “cheating”.

This includes anything that could affect any current or future candidate results. It also includes, but is not limited to, the following examples:

- Non-eligible and non-registered individuals posing as registered and eligible Exam candidates;
- Bringing study materials into the testing room, or any other material that has not been expressly permitted;
- Giving or receiving help during the Exam;
- Engaging in any conduct during the Exam that disturbs or is disrespectful towards other candidates or Exam proctors or Testing Centre staff;
- Removing or trying to remove Exam materials from the Exam site;
- Modification of documents in order to give the false impression of having passed the Exam;
- Any activity that would be considered illegal, such as assault, harassment, or theft.

Actions in the Event of Suspected Cheating

If the IPT or RPT staff suspect that a candidate is cheating, the staff may remove them from the Exam. Suspected cheating will be reported to the Certification office by the testing provider.

The Certification office conducts investigations into all suspected cheating incidents. The candidate will have the opportunity to submit a written response to the suspicion of cheating via regular post or email.

A formal investigation and review process will take place. The candidate may be required to provide additional information during the investigation and review process.

Once a decision has been made, the candidate will be informed by email. The decision may

include, but is not limited to, the following actions:

- Exam is marked as usual;
- Exam candidate receives eligibility to next Exam without charge;
- Exam is not marked and the candidate loses this Exam attempt;
- Exam candidate is permanently banned from writing the Exam;
- Exam candidate faces legal action.

The CSMLS reserves the right to begin an investigation into suspected cheating at any time before, during, or after the Exam is administered.

After the Exam

NOTE: If a candidate has unsubscribed from CSMLS emails, they will NOT receive any communications from CSMLS about the Exam or their results.

There are hundreds of CSMLS candidates writing the Exam at each Exam session. All discrepancies and Remote Testing/Training Centre or candidate concerns during the session must be investigated before any Exam can be marked.

The Certification office performs numerous quality assurance checks and analyses Exam and candidate performance statistics based on each Exam question to ensure accuracy. Finally, when quality assurance is complete, we will release Exam results to the candidates and the Canadian provincial regulators, as required.

Candidates must ensure that their CSMLS account is up-to-date with both their:

- current email address
- current residential address (including apartment number, if applicable)

Candidates will not receive notification of the availability of their Exam results on the CSMLS Results Portal or their official Statement of Examination Results (SER) if their email and residential addresses are not current/up-to-date or if they have unsubscribed from CSMLS emails.

If a candidate's information needs to be updated/changed, please follow the instructions found under the '[Change of Information](#)' section.

Candidates who have passed the Exam will only receive results that indicate 'Pass' and the overall Exam pass mark. Unsuccessful candidates will receive both their actual Exam score and the overall Exam pass mark.

All MLT Exam results for Alberta candidates are shared with CMLTA, the contracted provincial MLT regulator. This includes the number of Exam attempts a candidate has had.

Exam Results Release

Candidates who are waiting for exam results ARE NOT to register for another attempt until their Exam results have been released. If they register before their results have been released, their registration will be cancelled and they will only receive a partial refund.

The Exam results release dates are indicated on the [Dates and Fees webpage](#). The Certification office will strive to release Exam results within 45-days **after** the last day of the Exam session.

When Exam results are ready, candidates will receive an email indicating they can logon to the CSMLS Results Portal to view their results and can download an unofficial Statement of Exam Result (SER).

Candidates will be required to pay a service fee for official SER copies from the Certification office.

Under no circumstances will we give Exam results over the phone.

Exam Result Validation Request

Candidates can apply and pay for an Exam Result Validation of their Exam score; however, before Exam results are released, many rigorous quality control and assurance checks are completed to ensure Exam results are accurate. An error in a candidate's Exam result is unlikely.

If a candidate fails the Exam, they can complete and submit a [Validation of Individual Exam Score \(VIES\) application](#), paying the required, non-refundable fees.

The VIES application must be received in at the Certification office no later than sixty (60) calendar days after the first day of the Exam session with the applicable payment. Once processed, the review can take four (4) to six (6) weeks to complete.

Candidates who have failed their first attempt should register for their second exam attempt before the VIES is complete. It is likely that the next Exam session registration will be closed before the review is complete and these candidates will not be able to register for the next Exam session, should the VIES be unfavourable.

CSMLS Certificants

If candidates pass the Exam, they will receive an invitation to become a professional member of the CSMLS. For information on the benefits of CSMLS membership, please visit the CSMLS website under the '[Become a Member](#)' tab.

CSMLS Certificates are only allowed to be held by CSMLS professional members in good standing.

The CSMLS Certificate is free if professional membership is taken out within two (2) months after the Exam date if certification was achieved.

Applying for CSMLS Membership can be done through the CSMLS Exam Results Portal, by reinstating through a CSMLS account, or by contacting memserv@csmls.org.

The CSMLS certificate will be sent after CSMLS professional membership payment has been processed, usually within five to six (5-6) weeks.

Holding a certificate is a privilege of CSMLS membership. If membership is not renewed, the CSMLS certificate must be returned to the CSMLS, as written in the CSMLS bylaws.

For any questions about membership, candidates may contact the Membership office at memserv@csmls.org.

Appendix 4: How the Exam is Scored

The pass mark is established individually for each Exam; therefore, the success criteria will be different for each Exam.

Each Exam pass mark is the total percentage score that a candidate must reach to pass. Anyone who achieves this mark passes the Exam, and there is no limit to the number of candidates who can pass.

The pass mark, which is set by the Angoff method, varies from Exam to Exam depending on the difficulty of that particular Exam. The CSMLS uses the legally defensible Double Modified Angoff Process that requires demographically selected expert judges to discuss the issues involved in determining a pass mark and to evaluate the Exam by using a well-defined and rational procedure.

The purpose of the Angoff process is to determine the pass mark (also known as the cut score) required to identify a **minimally competent** MLT for each Exam used in a particular Exam session. Determination of an appropriate pass mark is essential to the effectiveness of the process.

In this process, the Exams have been reviewed and accepted by the General MLT Exam Panel (a voluntary panel of industry experts with geographical representation from across Canada) first. Then another group of volunteers (i.e., experts in the field of practice), trained by the Certification office to be Angoff judges, set the pass mark for each Exam form.

The pass mark determination is a judgment made by the Angoff judges, arrived at through a rational discussion of the field of practice and an awareness of the consequences involved when making a decision that affects future practitioners. This sets the standard of performance on which decisions will be made about an individual's level of competence in an MLT's field of practice through the use of a particular Exam form. Additional Exam structure information can be found on our website under '[Exam Structure](#)'.

If candidates pass the Exam, they will receive an invitation to become a certified member of the CSMLS. For information on the benefits of CSMLS membership, please see the website under '[Become a Member](#)'.
